Project/Vacancy Childminders

Details There is a need for more Childminders across Cambridgeshire. Funding is available to help you set up your own business self employed as a childminder and to complete compulsory first aid training and the introductory course for childminders (Introduction to Childcare Practice). There are lots of opportunities for professional development as a childminder through both individual and group (through approved Childminding Networks) Quality Assurance schemes. By working self-employed as a childminder you are able to set your own working hours, whether it be full time, part time, evenings or weekends. There is a team of Development Officers who are available to advise and support you through the process. If you would like more information about becoming a childminder please contact The Childcare Information Service (on behalf of the County Council) for an information pack and to find out more.

In line with the local Safeguarding Children's Board guidelines the successful candidate will be subject to an Enhanced Criminal Records Bureau check (CRB).
